

ON THE WATER

Social programs at the WDYC are full and varied. The lounge, full service bar and deck are open seven days a week during the summer. For the winter months the lounge is open every Friday night for a buffet dinner and socializing as well as for a few special holiday events.

No one enjoys the West Dennis Yacht Club more than the children. Besides an unequalled opportunity to meet and make new friends, a wide variety of activities ensure that children of all ages look forward to their time at the Club.

FAMILY

Whether it is an early morning fishing trip or daily lessons in the renowned WDYC Sailing School, much of the Club revolves around **the waterfront**. Our renowned sailing school provides instruction at all ability and age levels, from novice youngsters and adults to our championship racing team, who compete in regattas throughout New England. Lessons are available from experienced, professional instructors by the week, month, or season.

Our sheltered marina is home to about 60 boats, both power and sail, in well maintained slips or on moorings in the adjacent Bass River. Despite very competitive rates, the appointments at the marina are second to none in the area. Convenient to the Nantucket Sound, Bass River and its amenities, and the West Dennis Beach, the docks boast power, water, ice, trash facilities, a dinghy dock, gin pole, and easily accessible launching ramp.

Younger children enjoy a weekly arts and crafts program, sailing lessons, and family cookouts and dinner events. Older youths (Ages 12 -17) can supplement sailing lessons and racing with the **Junior Yacht Club** functions. These typically include things such as:

- Weekly teen dances
- Weekly movie night
- Red Sox/Paw Sox/Cape League outing
- Nantucket day trip
- Junior Commodore's Ball
- Six Flags or Water Country trip

SOCIAL

During the summer months, a wide range of social events, from formal dinner dances to informal family functions such as a circus night or luau are available every Saturday night.

Combined with Friday night lounge dinners and a Sunday evening cookout, the Club offers the most comprehensive social schedule on the Cape, with something for everyone.

*Cape Cod the way it
was meant to be...*

THE PLACE

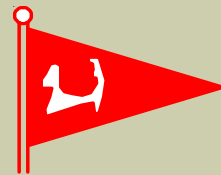

Providing spectacular views of the Nantucket Sound and a full menu of social and yachting opportunities for its members, the **West Dennis Yacht Club** is truly one of the best kept secrets on the Cape. Our club is unique in its diversity and amenities, which are unsurpassed by any in the area. Combining a well appointed clubhouse and marina on the Bass River with a diverse and attractive activity schedule, the WDYC offers the whole family an unparalleled opportunity to enjoy one of the finest summer atmospheres on Cape Cod. From boating to dining to relaxing in the lounge, there is always something for everyone in the family.

THE PEOPLE

As important a component of the Club as the facilities and activities are the members whose many talents and diverse interests combine to provide a full spectrum of member options. Friendships that will last a lifetime develop and grow every year. The West Dennis Yacht Club was established in 1959 as a non-profit corporation devoted to the encouragement of yachting, social gatherings for members and conducting regattas and has continued to do so for four generations of members.
